

Parkside Junior High School

Education Plan

2024-2025

Principal's Message

Our education plan is intended as a living document as we attempt to Ignite Minds, Kindle Hearts, Forge Futures, and continue on a path to Truth and Reconciliation.

We will continue to focus on Language Arts, Reading, and Mathematics academically, while continuing a school wide initiative for wellness, mental and physical health and well being and parent and school communication. We will continue to attempt to provide multiple opportunities for students to explore different elective courses across a wide range of possibilities.

Assurance Framework

What is the Assurance Framework?

In the Assurance Framework, all education stakeholders accept responsibility for building capacity of the education system – in classrooms, schools, school authorities and in government. Ensuring continuous improvement throughout the system necessitates a collective approach that recognizes diversity within Alberta, relies on evidence to make decisions, and is responsive to the needs of students in their local contexts.

The Five Domains of Assurance

Student Growth and Achievement

Teaching and Leading

Learning Supports

Governance

Local and Societal Context

Assurance in the education system happens when community members, system stakeholders and education partners engage across the five domains.

PRPS Core Principles

Connect

School structures and traditions ensure that every student, staff and community member is known and cared for and contributions are celebrated.

Create

Students and PRPS staff undertake tasks that require perseverance, craftsmanship, imagination and self-discipline to foster curiosity about the world.

Communicate

Words have tremendous power and ours will be characterized by mutual respect, belonging, and community building. Students and PRPS staff use communication skills to advocate for themselves, understand their communities and tackle the world's biggest challenges.

Care

Students and PRPS staff have the knowledge of how to care for their physical and mental health and support the well-being of others fostering a safe school environment.

Contribute

Students and PRPS staff are strengthened by acts of consequential service to others, actively ensure all belong, and participate and celebrate their rural communities.

Challenge

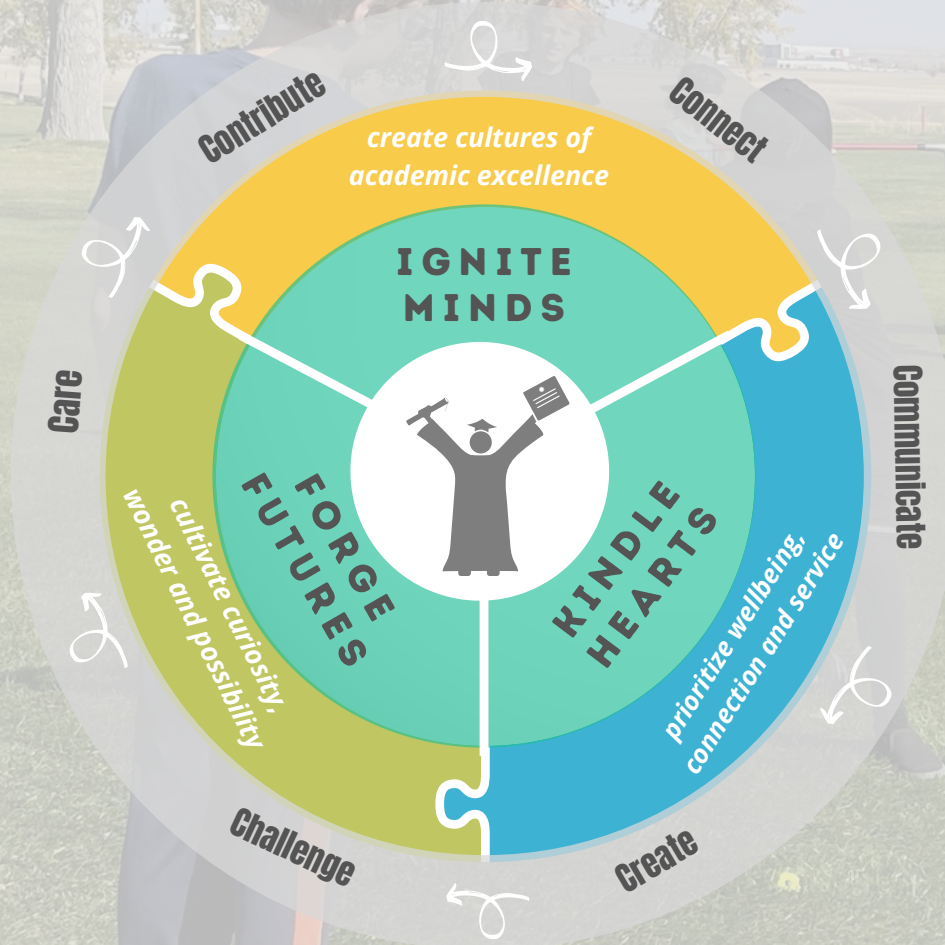

Students and PRPS staff develop an internal drive and desire to overcome obstacles and maximize performance through personal responsibility, resilience and initiative.

Prairie Rose Public Schools Learning Model

At the end of the current school year (2024-2025), the Prairie Rose Public Schools strategic plan will conclude. As a result, consultation this year focused on establishing a new learning model based on what the people we serve envision for the future. This feedback has resulted in refocused Vision and Mission statements, the establishment of six Core Principles and our new strategic goals.

Ignite Minds Kindle Hearts Forge Futures

PRPS GOAL 1: IGNITE MINDS

Background: We will ignite minds by creating cultures of academic excellence

- Conceptual understanding, deeper learning and transfer are evident in all Prairie Rose classrooms
- Students have the background knowledge they need to be grounded, the scaffolding they need to be supported and the academic courage they need to explore possibilities
- All students have the foundational knowledge in literacy and numeracy from which deeper learning grows
- PRPS Core Principles are evident in the intellectual and academic pursuits of students and staff

PRPS GOAL 2: KINDLE HEARTS

Background: We will kindle hearts by prioritizing wellbeing, belonging and service.

- Staff and students take care of themselves and others
- Staff and students contribute to their communities and create belonging
- Environments are cultivated that inspire people to show up as their best selves
- PRPS Core Principles are evident in our culture

PRPS GOAL 3: FORGE FUTURES

Background: Futures will be forged by cultivating wonder and possibilities.

- We offer programs and instruction that stretch what staff and students thought possible and sets PRPS apart
- Students are engaged, motivated and resilient
- Future prospects for PRPS students are abundant
- PRPS Core Principles are evident in the initiatives and endeavors of students and staff
- PRPS provides personalized, place based and multiple pathways to meet the diverse needs of families
- Empower students to be confident communicators in a variety of formats
- Strong partnerships with the families, businesses, nonprofits, and local government in the communities we serve
